

# Biology 1

**Instructor:** Angie Steedman

**Grade Level:** 9<sup>th</sup> – 12<sup>th</sup>

**Prerequisites:** None

**Cost:** \$30 per month tuition & \$40 per semester supply fees (includes lab specimens & slides)

**Credit:** 1 unit lab science

**Overview:** The purpose of this course is to assist parents in the lab portion of the biology class. Students in this class will perform experiments (including dissection and microscope work) and be tested on the reading they do at home.

**Curriculum:** *Apologia Exploring Creation with Biology (2nd Edition)* textbook **and** lab notebook

**Additional Requirements:** Email access (parent and/or student) for communication and a good magnifying glass.

**Homework:** Students will be required to read the chapters on their own and answer chapter & study guide questions. They may expect 1-2 hours of homework a night outside of class. Exams will be held bi-weekly.

**Min/Max Enrollment:** 6/12

**LHE Pre-enrollment required BEFORE course enrollment.** See “Enrollment Steps” for pre-enrollment information.

**Course Enrollment & Questions:** Contact Mrs. Steedman at [mrs.steedmancohe@gmail.com](mailto:mrs.steedmancohe@gmail.com)
