

Photography

Instructor: Shannon Schulz

Grades: 9th – 12th

Prerequisites:

Cost: \$40 Plus \$10 material fee per semester

Credit: 1 unit of Elective

Overview: In this course, you will learn how to take your camera off auto mode to capture beautifully composed pictures. Imagine knowing how to adjust your aperture, f-stop, white balance, shutter speed and exposure! And what about that flash?! You'll learn how to use either natural light or flash to capture the perfect ambiance. You will also learn how to edit your photos using a simple editing program available online for beautiful, print ready pictures.

Curriculum: Instructor-generated handouts

Additional Requirements: A working camera, preferably a DSLR or 35mm to maximize your learning experience, but a point and shoot camera will work. A computer with internet access will be needed for editing and storing photos.

Homework: 30-60 minutes for taking and editing photos.

Min/Max: 5/10

LHE Pre-enrollment required BEFORE course enrollment. See "Enrollment Steps" for pre-enrollment information.
